AIMO Benchmark Release Agreement

Name: _____

Address: _____

Organization: _____

E-mail: _____

1. The AIMO benchmark is available for non-commercial research and educational purposes only.

2. This benchmark is synthesized using Stable Diffussion (https://github.com/AUTOMATIC1111/stable-diffusion-webui). You confirm that you have permission to access the above repository and accept full responsibility for the use of the repository. The TJU-M2I Lab is not responsible for the content from the above repository.

3. You agree *not to* **reproduce, duplicate, copy, sell, trade, resell** or **exploit for any commercial purposes**, any portion of the AIMO benchmark and any portion of derived data.

4. You agree *not to* further **copy, publish** or **distribute** any portion of the AMIO benchmark. Except, for internal use at a single site within the same organization it is allowed to make copies of the benchmark.

5. You agree to **cite** the related paper to acknowledge the origin of the data in any publication using this benchmark.

6. The TJU-M2I Lab of Tianjin University reserves the right to terminate your access to the AIMO database at any time.

Please click the check box: ☐ I understand and agree all the above six requirements
